## Notices

Would you like to join the list of people to read a lesson during our services? Please let Grahame know and he will add you to the rota.

The wheelie bin for food donations is back in church. Please remember to support 'Hope Central' at this difficult time.

The Newsletter will be available next week. Can you help to deliver a newsletter who would appreciate this? A list of those who will need a delivery is on the flipchart in the South Aisle.

Now that services have resumed we are reintroducing the names of the sick to be prayed for in our intercessions on Sundays. If you know someone who needs prayer in this regard, and they are happy to be included, please speak to Judith. The long term sick, and those of a more personal nature can be prayed for at Morning Prayer. Please see Paul or Simon.
