Notices - Sunday August 2nd 2020

Reading in Church: Would you like to join the list of people to read a lesson during our services? Please let Grahame know and he will add you to the rota.

Hope Central:

The wheelie bin for food donations is back in church. Please remember to support 'Hope Central' at this difficult time.

Prayers for the sick: Now that services have resumed we are reintroducing the names of the sick to be prayed for in our intercessions on Sundays. If you know someone who needs prayer in this regard, and they are happy to be included, please speak to Judith.

The long term sick, and those of a more personal nature can be prayed for at Morning Prayer. Please see Paul or Simon.

Newsletters are now available - this is accessible on our website but if you have difficulty accessing this or would prefer a printed copy anyway please take one from the rack near the North Door.

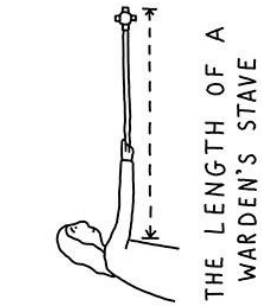

Face Coverings:

If you wish to wear a face covering please see the separate guidance booklet on this subject.
