### Notes:

**Sundays.** Assuming the church is open for public worship on Sundays then generally speaking, the gospel plus one reading is to be read in church. The preacher chooses the reading between OT and the Epistle. The Audio Service has only one reading on a Sunday which can be from any of the three options.

**Wednesdays up to and including March 24<sup>th</sup>.** These are Audio Services only. The normal format is one reading for the Wednesday Audio Service from any of the three options. The preacher makes the choice of readings.

**Wednesdays from March 31<sup>st</sup>.** These are 'In-Church' Services only. The gospel plus one reading is to be read in church. The preacher chooses the reading between OT and the Epistle.

Would preachers please note that occasionally variance occurs between this and the Red SPCK Lectionary. This document is the first port of call for the readings but if unsure please contact Paul.
